First I would like to let you know the great impact KLOVE has in my community. There are so many stations that I can not listen to in the car because of the language they use. KLOVE is not like that, with our youth in the shape they are in there needs to be more stations with this type of message. With out the KLOVE station our community would be greatly affected DO NOT LET THE LPFM REPLACE KLOVE.

Sincley,

Anastacia Reeder
